Councilmember Casimir made a motion, seconded by Councilmember Baker, to hold an executive session to discuss potential litigation for Union County Courthouse zoning violations and Lewisburg Borough's proposed zoning ordinance amendment. Motion was unanimously approved.

Council entered an executive session at 7:05 PM. Council returned at 7:40 PM.

Councilmember Casimir made a motion, seconded by Councilmember Morris, to accept the substantial amendment proposed to the current Borough zoning ordinance, which he, along with the Planning Commission, worked on over the last four years, to direct the Manager to send this to the Lewisburg Planning Commission and the Union County Planning Commission for their formal review, and also to direct our Solicitor to advertise a public hearing at 6:30 PM October 18, 2011, the day of the regular monthly Council meeting, as required by the Municipalities Planning Code (MPC). ON THE QUESTION: Solicitor Lyons questioned if it is Council's intent to enact this ordinance after the public hearing? Councilmember Casimir stated no. Councilmember Molesevich pointed out there may be changes suggested that Council could agree with. There was much discussion. It was the sense of Council that the Solicitor advertise Council's intention to enact this ordinance at the regular monthly meeting. Solicitor Lyons commented if there are not significant changes, he can advertise the changes to the ordinance that was enacted. He suggested Council decide at September's meeting, as he can't advertise until then anyway, and this would give the Borough the chance to have received the Planning Commissions responses. Motion was unanimously approved.

Manager Smith commented several changes suggested during the work session last week have been made and the document you have before you tonight reflects those changes and is the document that will be submitted to both Planning Commissions.

Councilmember Casimir made a motion, seconded by Councilmember Baker, to direct the Manager to write a letter to the Union County Commissioners inviting them to attend the next Planning Committee meeting Thursday, September 8, 2011, to discuss the ongoing issue regarding the courthouse cupola with the intent of reaching some sort of mutually agreeable resolution. (Councilmember Molesevich left the meeting at 7:50 PM.)

Night Out a success, especially Corporal Burrows, Chief Yost, and the rest of his staff. Chief Yost commented this occurs the first Tuesday of August every year and provides a great opportunity to meet and greet people.

PUBLIC WORKS COMMITTEE: There was no meeting.

FINANCE COMMITTEE: Councilmember Morris made a motion, seconded by Councilmember Casimir, to approve payment of the bills from 07/16/11 through 08/12/11 in the amount of $846,831.74. ON THE QUESTION: Councilmember Morris questioned why this amount is so high. Manager Smith said this time of the year we do our transfers, so a lot of that reflects moving money from one account to another, and there was one large payment to the contractor for South Fifth Street. Motion was unanimously approved.

Councilmember Morris made a motion, seconded by Councilmember Casimir, to hold an executive session at the end of this meeting to discuss non-uniformed contract negotiations. Motion was unanimously approved.

MAYOR: Mayor Wagner reported that Chief Yost continues to do a great job with the Regional Police. She indicated she is going to address, at the next Police Committee meeting, the loitering along the curbside of Hufnagle Park. She also pointed out the amount of work that is taking place here in this Borough is amazing.

POLICE CHIEF: Chief Yost reported progress is being made with the Regional Police. RFP's are out for pension services, specifically investment services, legal services and actuarial services. Several meetings regarding contract issues have been held as contract negotiations are coming up. A legal firm that specializes in contract negotiations will be meeting with him next week. Renovations for the new building have been finalized, and costs were well below the estimates. A final presentation will be made to the New Berlin Borough, as they are still interested in participating in Regional Police. One other item that needs addressed; there have been a lot of rumors with regard to the Regional Police discontinuing the Drug Abuse Resistance Education (DARE) within the Lewisburg School District. What occurred is East Buffalo Township's DARE Office is retiring and rumors are out there that the Regional Police will not continue the program. This is not true as it has never been discussed. You need to have an officer that is trained for this and that wants to do this or the program will not succeed. He will be talking with all his officers to determine if there is someone on board with an interest in taking over this program.

COUNCIL PRESIDENT: Council President Bergonia reminded Council that Bucknell University's campus will be crazy this Friday; the students are returning.

SOLICITOR: Solicitor Lyons had no report.

MANAGER: Councilmember Morris made a motion, seconded by Councilmember Mahon, to appoint Kim E. Wheeler to serve on the Shade Tree Commission, term expiration 12/31/15. Motion was unanimously approved.

Manager Smith informed Council that South Fifth Street is on schedule. The substantial completion date is August 26th, as we requested some additional work. Councilmember Casimir asked when trees will be planted. Manager Smith asked that planting be delayed until the end of September.

OLD BUSINESS: There was no old business.

NEW BUSINESS: Councilmember Mahon announced that everyone needs to see the newly restored Campus Theater; it is absolutely beautiful. Mayor Wagner thanked Bucknell University for all their work and the expenditure of $2.5 million. Councilmember Mahon thanked Councilmember Strosser, the architect, for redoing the kiosk. There was much discussion.

Councilmember Baker referred to his handout dated August 16th. He explained there has been a very bad odor in the area of the Fourth Ward, and he has heard this odor has traveled quite a distance with others within the Borough noticing it. The source was identified; it appears to be coming from Lester Nolt's property on Hoffa Mill Road in Kelly Township, specifically H & C Grove NX./Nolt Agri-Business and it is from the processing of crab waste imported from Maryland for feed and fertilizer processing. Mayor Wagner asked if a permit was issued. Councilmember Baker said yes. There was much discussion.

WRITTEN REPORTS: Councilmember Morris made a motion, seconded by Councilmember Casimir, to acknowledge receipt of the Budget Index; Police and Parking Report, Zoning Officer Report, and Code Enforcement Officer Report. Motion was unanimously approved.
WORK SESSION: Council President Bergonia announced there will be a work session on September 13th.

Council President Bergonia called for a five minute recess at 8:15 PM. Council returned at 8:20 PM.

Council President Bergonia indicated that a motion was made, seconded and approved earlier this evening for an executive session to be held at this time to discuss non-uniformed contract negotiations. (Previous motion: Councilmember Morris made a motion, seconded by Councilmember Casimir, to hold an executive session at the end of this meeting to discuss non-uniformed contract negotiations. Motion was unanimously approved.)

Council entered executive session at 8:20 PM. Council returned at 9:15 PM. (Note: Councilmember Morris left the meeting at 8:35 PM.)

There being no further business, Councilmember Casimir made a motion, seconded by Councilmember Mahon, to adjourn the meeting. Motion was unanimously approved. Meeting adjourned at 9:15 PM.

Respectfully submitted,

Patricia M. Garrison
Borough Secretary
