Councilmembers discussed the current structure of Council Committee and Council meetings and the possibility of combining committee meetings and all Councilmembers meeting possibly three times a month to be more efficient and effective. The first meeting would take the place of the Council Committees, the second meeting would consist of specific items from Committees that would require detailed discussions, and the third meeting would be Council's final action items. Councilmember Derman will make a specific suggestion regarding meeting structures and share with Council for individual feedback to discuss further at a future meeting. There was much discussion.

There being no further business, the meeting adjourned at 7:40 PM.

Respectfully submitted,
