I. NEW BUSINESS

- a. Discussion of inspections of the North Fourth Street Sidewalks by CK-COG for compliance with the Borough's Sidewalk Ordinance.
- b. Review of the draft Wolfe Field Request for Proposals (RFP) and Amendment to the grant scope – DCNR has indicated that the study area can be expanded to include the Community Garden without a formal request for an amendment. Any increased cost over the awarded grant amount (50% of the total cost) would be the responsibility of the Borough (**attachment**).
- c. Review of a proposal from PennCore Consulting in the amount of \$6,500.00 to complete a Subdivision of Parcel #008-011-006.00000 - St. George Street River Access (**attachment**). Associated legal fees for completing this Subdivision would be less than \$1,000 per the Borough Solicitor.
- d. Update on the Green Streets, Green Jobs, Green Towns Grant Program Submittal for North Fourth Street – Review of a proposal received from Larson Design Group (LDG) to use as a cost estimate for grant submission (**attachment**). The grant request will be for \$43,900.00. Consideration to pledge \$10,200.00 match in the grant application based on the cost estimate from LDG.
- e. Update on the 2025 Lewisburg Borough Street Paving Project – paving bids are due February 24, 2025.
- f. Add-on Subdivision Plan has been received by the Borough for 115 South Fifth Street and will be reviewed by the Planning Commission this month (**attachment**). Recommendation from the Planning Commission may be forthcoming.
- g. Update on the Greenways, Trails and Recreation Program (GTRP) – the 2024 grant application submission for Multi-Use Trail Lighting – Piers Art Park was not awarded. The application deadline for the next round of grant funding is May 31, 2025. Should the Borough plan to reapply? $\$120,278 + \$21,226 = \$141,504$
- h. Review of a request from PA American Water to reduce or waive the \$5,000.00 Street Degradation Fee for 618 Pennsylvania Street since the recent street improvements undertaken by the Borough were tar/chip/fog seal and not full pavement restoration (**attachment**).
- i. Notification that Comcast will be submitting a Cable Franchise Agreement for consideration by Lewisburg Borough and recommendation to approve a proposal from Cohen Law Group in the amount of \$7,565.00 to represent Lewisburg Borough during the Cable Franchise Agreement negotiations (**attachment**).
