# A PUBLIC HEALTH NOTICE

To All Lewisburg Borough Community Members
March 30, 2020

We are currently experiencing a public health crisis from the global pandemic caused by the COVID-19 Coronavirus. All members of our community should be on alert and take every precaution to protect themselves from the transmission of the virus responsible for COVID-19.

Please respect that you are part of a broader community and you could be part of the transmission chain. Please limit your interactions with others and follow the PA Dept of Health guidelines. Here are some websites to review:

PA Dept of Health: health.pa.gov/topics/disease/coronavirus/Pages/Coronavirus.aspx

Union County: www.unioncountypa.org/

Evangelical Community Hospital: evanhospital.com/news/coronavirus-update

Geisinger Health: geisinger.org/coronavirus; and 24/7 hotline, 570-284-3657

World Health Organization: who.int/emergencies/diseases/novel-coronavirus-2019/advice-for-public

The Borough of Lewisburg is also maintaining updates on its website for your convenience at: www.lewisburgborough.org/news/

* Lewisburg limits all gatherings to ten (10) or less persons in order to protect the health, safety, and welfare of residents. This exempts life-sustaining business activities. *
