

LEWISBURG ENLIGHTENER WINTER 2020

REFUSE SCHEDULE CHANGE

Starting February 3, 2020, Lewisburg Borough Refuse Department will no longer be collecting refuse on Saturdays. This will be a ninety-day trial period to determine the feasibility of a permanent change to the collection schedule. Properties and businesses with normal Saturday refuse collection have been notified directly by mail and informed of new pickup days.

Additional changes include:

- Collection times may change, place all refuse out for collection prior to 7 a.m. on collection days.
- Special Item Pickups will be collected on regular collection days, instead of Wednesdays and Saturdays, except items containing refrigerant. These items will be collected on Wednesdays only. As always, Special Item Pickups must be prepaid at the Lewisburg Borough Office prior to collection and items must be placed at your regular refuse collection site.
- Metal refuse baskets on meter poles along Market Street and Hufnagle parking lot will be removed. New larger, standard green receptacles will be placed throughout these areas for pedestrian trash.

We appreciate your patience as our crew works through this trial period.

SNOW REMOVAL

The Borough would like to remind all property owners that it is your responsibility to keep your sidewalks clear of snow and ice. By Ordinance, you have **12 HOURS** after the snow has ceased to fall, or the ice has ceased to form, to perform such removal. Failure to do so will result in a fine and possible removal by the Borough with costs to be passed along to the owner. In addition, residents should not deposit snow into the travel lanes of the roadway. We thank you for your cooperation.

Also, during snow removal from the Borough streets, please observe the No Parking hours as posted. **Failure to do so will result in the towing of vehicles at the owner's expense.**

Snow and ice must also be cleared from around refuse containers for collection. This includes containers placed out for collection and dumpsters. Containers or dumpsters frozen to the ground, plowed-in, buried in snow, or otherwise unable to be moved will not be emptied.
