

LEWISBURG ENLIGHTENER WINTER 2021

WHAT DO I NEED TO KNOW ABOUT FLOODING?

Much of Lewisburg Borough is susceptible to flooding. While flooding can occur at any time, historically the worst floods occurs in Summer/early Fall (tropical storms) and Winter/early Spring (ice jams and snowmelt). Are you prepared for the next flood? Below are some tips to help you before the next flood hits:

Know your flood hazard

- The Borough is subject to flooding by the Susquehanna River, Buffalo Creek, and/or Limestone/Bull Run
- Are you in a repetitively flooded area?
- Call the Borough at (570)523-3614, SEDA-COG at (570) 524-4491, or the Zoning Department of CK-COG at (570) 522-1326 to find out the flood hazard for your property

FLOODING, EROSION OR DRAINAGE CONCERNS?

On-site visits and technical assistance are provided to residents who are experiencing problems in areas of flooding and drainage, or for those who want recommendations on how to retrofit an existing property. Funding or other financial assistance may be available for elevation and other mitigation activities for flooded properties. **Please direct your inquires to David Hines, CFM, Lewisburg Borough Zoning Officer, at (570) 522-1326.**

WEBSITE

www.lewisburgborough.org

The Borough wishes to remind residents that information exists on the Borough Website for owner/resident concerns. A few examples of information you can find there are listed below.

- Borough Ordinances
- Meeting Minutes
- Flood Information

LEWISBURG ENLIGHTENER - WINTER 2021 ... continued

SNOW REMOVAL

The Borough would like to remind all property owners that it is your responsibility to keep your sidewalks clear of snow and ice. By Ordinance, you have **12 HOURS** after the snow has ceased to fall, or the ice has ceased to form, to perform such removal. Failure to do so will result in a fine and possible removal by the Borough with costs to be passed along to the owner. In addition, residents should not deposit snow into the travel lanes of the roadway. We thank you for your cooperation.

Property owner's should also remove all snow and/or ice from the top of refuse containers (cans or dumpsters). Additionally, dumpsters must have the ground around the dumpster cleared of snow or ice and have a cleared path for the garbage truck to this container. Dumpsters and cans that are not cleared will not be emptied until accumulation is cleaned for the next regularly scheduled pickup day.

Also, during snow removal from the Borough streets, please observe the No Parking hours as posted. **Failure to do so will result in the towing of vehicles at the owner's expense.**

BRUSH PILE & RECYCLING CENTER

The Borough's Brush Pile and Recycling Center remain open every Wednesday from 8 AM to 4 PM and every Saturday from 8 AM to Noon. They are both located in the Wolfe Field Complex, along St. Anthony Street.

Commercial establishments are reminded that recycling is mandatory.

Recyclable materials include:

- Aluminum
- Bi-metal cans
- Corrugated cardboard
- Fiberboard
- Glass containers
- Magazines
- Newsprint
- Plastics (#1 & #2)
- Office paper

Curbside recycling occurs the first Saturday of each month. **This is for aluminum, glass and newsprint only.**

More information can be obtained on the Borough's website.

TREE TRIMMING SPRING COLLECTION

The Borough will be conducting curbside collection of tree trimmings the week of Monday, April 5th, through Friday, April 9th. This collection will follow the normal street no parking schedule. Tree trimmings should be bundled. Trimmings must be no larger than 2 inches in diameter and 4 feet in length. All other tree trimmings can be taken to the brush pile during normal hours of operation. Please remember to bring identification showing you are a Lewisburg Borough Resident for all brush pile drop-offs.
