

LEWISBURG ENLIGHTENER WINTER 2022

Borough Awarded Grant from First Community Foundation Partnership of Pennsylvania

Lewisburg Borough was recently awarded a \$2,600 grant from the Lindig Lewisburg Foundation Fund at the First Community Foundation Partnership of Pennsylvania. The grant funding will be used to construct a wooden split rail fence along the railroad at Kidsburg to discourage park users from walking along and across the railroad tracks. Additionally, the grant award will be utilized to plant new trees around the forthcoming revamped Kidsburg Destination Playground. The Foundation works to improve the quality of life in north central Pennsylvania through community leadership, the promotion of philanthropy, the strengthen of nonprofit impact, and the perpetual stewardship of charitable assets. The Foundation strives to create powerful communities through passionate giving. For more information visit www.FCFPartnership.org.

Services Provided

As a service to our community, contact the Borough office at (570) 523-3614 to find out if your property is in the floodplain and subject to additional regulations, or if your property is affected by a floodway, drainage issues, or a natural function such as wetlands. We can also advise of the flood depth for your property and historical flooding for the area. You can also call SEDA-COG at (570) 524-4491 or the Zoning Department of CK-COG at (570) 522-1326 with all of your floodplain questions.

Flooding, Erosion, or Drainage Concerns?

On-site visits and technical assistance are provided to residents who are experiencing problems in areas of flooding and drainage, or for those who want recommendations on how to retrofit an existing property. Funding or other financial assistance may be available for elevation and other mitigation activities for flooded properties. Please direct your inquires to David Hines, CFM, Lewisburg Borough Zoning Officer, at (570) 522-1326.

LEWISBURG ENLIGHTENER - WINTER 2022 ... continued

Bull Run Greenway Construction Project Hibernates for the Winter

The Borough's on-going Bull Greenway project that kicked off in early July has gone into hibernation during the cold winter months. However, that doesn't mean work has completely stopped. The Contractor is currently assembling nature play playground components at their shop for installation in spring. Additionally, a separate contractor installed the sewer and water extension into Hufnagle Park for the new Restrooms to be constructed in the area where the portable restrooms were maintained. The new restroom building is a pre-manufactured concrete building that will be shipped to the project site and lifted into place in early spring.

Snow Removal

All property owners are reminded to keep sidewalks clear of snow and ice this winter. By Ordinance, owners have 12 hours after snow has ceased to fall or ice has ceased to form, to clear any accumulation. Do not deposit snow into the travel lanes on roadways.

Snow and/or ice must also be cleared from the top of refuse containers (cans or dumpsters). Dumpster must also have the ground cleared and a path cleared for the refuse truck. Containers that are not cleared of snow or ice will not be emptied.
